

# A BUSINESS LEADER'S GUIDE TO CREATING A CYBER-AWARE WORKFORCE

Transform your workforce into your strongest defense.  
Follow these simple and effective steps:

## EMPOWER YOUR EMPLOYEES

- Invest in regular cybersecurity training.
- Conduct phishing simulations to test awareness.
- Encourage a culture of security awareness.

## LEAD BY EXAMPLE

- Integrate cybersecurity into company values.
- Set clear expectations and accountability.
- Promote a culture of open communication.

## STAY VIGILANT

- Review and update your cybersecurity policies regularly.
- Stay informed about the latest cyberthreats.
- Partner with a trusted IT security provider.
